

Wellesbourne Lions Santa Collection 2020

Well, it's not long to go now till Santa drops down your chimneys and leaves you all the lovely presents that you all deserve for being such fabulous supporters of the Lions this year.

Our JustGiving page now stands at a truly stunning £774. On top of this, the wonderfully kind folk that came along to see Santa's Sleigh in the Co-Op car park on Saturday donated a further £278.

This means that this year, we have raised £1012 to continue supporting our local communities and groups during these difficult times.

We can't thank you enough. When we had to rethink our Santa Sleigh campaign this year, we hadn't imagined that we would be so fortunate to be able to raise this much! We really appreciate every single one of you.

Have an absolutely fantastic New Year. We look forward to seeing you all again very soon.

Your Wellesbourne Lions
